Dear Sir or Madam,

We are pleased to attach the latest edition of our directory. . Please note that the directory is sorted by Country, there is an Index by Town at the back.

This internet edition is updated monthly, you will find the date it was produced at the bottom of each page. If this is more than a month past, please check our site for a later edition.

This directory is provided on the explicit understanding that claim **SETTLING** services are provided by our relevant regional office in London, Singapore or New York. Details of our survey agents are provided primarily for inclusion in your policies and certificates and for emergency contact in particular by claimants who may appreciate support and guidance in their local language. Alternatively, new claims can also be reported to us via our website.

Please direct all other enquiries and queries to our regional offices. This will ensure consistency of approach, handling and reporting. Our local agent will only be involved where justified and will immediately be aware that this instruction is subject to our defined service standards and requirements. We thank you for your continued support and look forward to serving you in the coming year.
